Auto-Tech Hybrid vehicle service essentials.

### **Interests:**

Computing.

Building and modifying Computers, With a large focus on the Windows operating system.

Retro Computing, I collect older Computers such as Amiga systems, Amstrad PPC490's & a lot of older gaming consoles such as the Nintendo "Game and watch", Gameboy N64 & Others.

Heavy interest in the automotive industry.

Modifying and tuning cars, my own 2014 Ford Falcon as well as my friends' cars, BMW E46 (Engine swap), Mazda MX-5 (Differential replacement) & Others.

Trainspotting.

Often travelling to spots along the T9 Line (Pennant hills & Thornleigh station), Main Western Line (Bathurst, Lithgow, Glenbrook Stations as well as various overpasses) to view mainly Diesel locomotives including freight & XPT services pass through.

Karate.

Black Belt in Shotokan karate as well as 3 National medals in Kumite Males +67kg division (2 Bronze 1 Gold). My experiences in this sport taught me discipline as well as self-restraint.
